Maent hefyd yn danfon ffigyr sail treth yn yr ardal am 2013/4 sef 524.73. Maent hefyd yn danfon amcangyfrif o'r costau sydd wedi hysgwyo can y Cyngor Sir am drefnu etholiadau Cyngor Cymuned er mwyn rhoi canllaw i helpu gyda gosodiad y praesept am 2013/4. / send notice that the **precept requirement** of the council for 2013/4 should be returned before the 31st January 2013. They also provide the community council with the tax base figure for the area which for 2013/4 is 524.73. They also provide an estimated cost incurred by the County Council in arranging the Community Council election during 2012/3 - the estimated cost of £345.87 is provided as a guide only to assist with the precept setting for 2013/14.

Roedd y cyngor yn ymwybodol iawn o sefyllfa ariannol y wlad a'r pwysau sydd ar deuluoedd yn y gymuned . Oherwydd hyn roedd y cyngor yn awyddus i osod cyn lleied a phosib o godiad heb amharu yn ormodol ar waith y cyngor . Roedd rhai costau newydd yn gwynebu y cyngor yn y flwyddyn nesaf ac felly fyddai'n rhaid codi y dreth rhywfaint.

Ar ôl tipyn o drafodaeth penderfynodd y cyngor osod Praesept o £15309 Bydd hyn yn golygu fod Band D yn codi i £29.17 codiad o £0.84 ceiniog y flwyddyn. /

The council were more than aware of the financial situation facing the country and the impact on local residents . In view of this the council were anxious to keep the increase to a minimum but at the same time wished to ensure that the councils commitments could be met. New costs were in the pipeline for the next financial year and as such there would have to be some increase in the precept . After a discussion the council decided to set a precept of £15309 This equates to a Band D rate of £29.17, a rise of £0.84 pence per year.

2.Panel Annibynnol Cymru ar Gydnabyddiaeth Ariannol / Independent Remuneration Panel for Wales

inform that the Panel's Annual Report dated December 2012 has now been completed . As far as Community and Town Council's are concerned the

panel undertook consultation during the early part of 2012. What became clear to the panel is that there is a wide variety and range of functions and responsibilities carried out by different councils and similar disparities in roles of individual councillors.. The panel has made determinations in respect of travel and subsistence, attendance allowance, financial loss and civic allowance. The levels to these allowances currently available to members will be maintained until they are in a position to make further determinations. The Panel has also extended the current remuneration framework to community and Town Councils the discretion to make payments of up to £100 to each member per year in recognition of their costs incurred in respect of telephone usage, information technology, consumables etc. This is the panels first response to its initial consultation but there will be further dialogue with community and Town councils. Consultation on the draft report produced some concerns about the perception of any payments to community and Town councils and the practical impact on precepts of such payments, particularly for smaller councils.
