Y prif eitemau trafod oedd / The main topics discussed were :-

**a. Hysbysiadau Cynllunio / Planning Notifications** - Roedd yr eitem hyn yn dilyn gofyniad gan y Cyng Huw V Williams ar rhan Cyngor Cymuned Llanddarog am gael ceisiadau cynllunio i'w danfon i gymunedau cyfagos os fyddent yn debygol o gael effaith cyffredinol ar yr ardal - / - This item was in response to an earlier request by Cllr Huw V Williams on behalf of Llanddarog Community Council for planning applications which could have an adverse effect on neighbouring communities to be sent to those communities as part of the consultation process)

Roedd y Cyngor Sir yn dweud bod dim rhaid cyfreithiol iddynt wneud hyn ac nac oedd ganddynt fwiad i wneud hyn yn gyffredinol . Ond cytunwyd y bydd y swyddogion cynllunio yn edrych mwy beirniadol ar effaith ceisiadau yn y dyfodol /

The County Council informed that there was no legal obligation to do this and that as a general rule they would not be following this course of action .

However it was agreed that in future the planning officer will look more critically and have awareness of the wider impact of the application .

A discussion also took place on what should trigger a referral of a planning application to the Planning Committee

#### **b . Trosglwyddo Asedau Cymunedol / Community Asset Transfers**

Gydar sefyllfa ariannol presennol roedd y cyngor Sir yn awyddus iawn i drosglwyddo asedau i gymunedau lleol . Yn y dyfodol bydd y Cyngor Sir yn methu cynnal y gwasanaethau hyn ac os na fyddant yn cael ei trosglwyddo i gymunedau fe fyddent yn gorfod cau. Un engraifft oedd Parciau Chwarae.

With the current financial situation the county council could no longer afford to run all its community services in future and in numerous cases had no legal duty or obligation to do so . If these services /assets are to remain they would have to be taken over by the community at large –one example was recreation parks.

#### **c. Dementia**

## **6. Llywodraeth Cymru /Welsh Government Leighton Andrews AC / AM Gweinidog Gwasanaethau Cyhoeddus Minister for Public Services**

Yn danfon atgof i dynnu eich sylw at yr ymgynghoriad a fydd yn cael ei lansio heddiw ynghylch Cyfarwyddiadau Drafft Llywodraeth Cymru i Gomisiwn Ffiniau a Democratiaeth Leol Cymru (y Comisiwn).

“Mae'r Cyfarwyddiadau Drafft yn seiliedig ar y drefn y mae Llywodraeth Cymru yn ei ffafrio ar gyfer awdurdodau lleol yng Nghymru yn y dyfodol y cyhoeddais ym mis Mehefin gyda'r ddau opsiwn ar gyfer y Gogledd. Mae'r ddogfen ymgynghori a ddaw gyda'r Cyfarwyddiadau Drafft yn esbonio rhywfaint o'r cyd-destun ac yn holi rhai cwestiynau i chi roi eich barn amdanynt.

Fel y gwyddoch, rwy'n cynnig cael gwared ar y terfyn ar uchafswm nifer y cynghorwyr fesul awdurdod i gydnabod y ffaith y bydd y cynghorau newydd yn gyfrifol am boblogaethau ac ardaloedd daearyddol mwy. Nid wyf felly'n cynnig isafswm neu uchafswm o ran nifer y cynghorwyr fesul awdurdod lleol. Yn lle hynny, mae'r Cyfarwyddiadau Drafft yn pennu y dylai nifer y cynghorwyr ddim fod yn llai na'r nifer a geir drwy gymhareb cynghorwyr i etholwyr o un cynghorydd i bob 4,000 o etholwyr.

Rwyf hefyd yn cydnabod ei bod yn bwysig sicrhau llywodraeth leol a chyfleus, ac mae gennyf ddiddordeb mewn clywed barn am sut gall trefniadau wardio gefnogi hyn, gan ystyried y nodweddion penodol ym mhob ardal.

Nid yw Powys yn y Cyfarwyddiadau Drafft gan fod y cynigion yn rhagweld bydd yn parhau fel awdurdod. Rwy'n bwriadu rhoi ar waith yr argymhelliad yn adroddiad y Comisiwn dyddiedig 2011 oedd yn cynnig gostwng nifer yr aelodau etholedig o'r 73 presennol i 64.

Rwy'n bwriadu rhoi'r Cyfarwyddiadau i'r Comisiwn cyn gynted ag sy'n bosibl wedi i Fil Llywodraeth Leol (Cymru) 2015 gael Cydsyniad Brenhinol, cyn belled â mai dyma yw ewyllys y Cynulliad Cenedlaethol. Bydd hyn yn rhoi cymaint o amser â phosibl i'r Comisiwn wneud ei adolygiadau “./

-----

Draw the councils attention to the consultation which has been launched on the Welsh Government's Draft Directions to the Local Democracy and Boundary Commission for Wales (the Commission).

The Draft Directions are based on the Welsh Government's preferred configuration for the future of local authorities in Wales which I published in June and contain both options for North Wales. The consultation document which sits alongside the Draft Directions explains some of the background context and poses some questions on which I would welcome your thoughts. As you know, I propose to remove the cap on the maximum number of councillors per authority in recognition of the larger populations and geographical areas which the new councils will cover. I am, therefore, not proposing to specify a minimum or maximum number of councillors per local authority. Instead, the Draft Directions specify that the number of councillors should be no smaller than the number produced by a councillor to elector ratio of one councillor to every 4,000 electors.

I also recognise that it is important to ensure effective and convenient local government and am interested to hear views on how this can be supported by warding arrangements, taking into account the particular characteristics of each area.

Powys is not included in the Draft Directions because the proposals envisage it remaining as a continuing authority. I intend to implement the recommendations contained in the Commission's report of 2011 which propose a reduction in numbers of elected members from the current 73 to 64.

It is my intention to issue the Directions to the Commission as soon as possible following Royal Assent of the Local Government (Wales) Bill 2015, subject to the will of the National Assembly. This will allow the Commission as much time as possible to complete its reviews and for electoral arrangements to be made for the elections to Shadow Authorities in 2019.
